FILING INSTRUCTIONS:

This directive finalizes WIA Draft Directive WIADD-132, issued for comment on November 14, 2006. The Workforce Services Division (WSD) received no comments during the draft comment period. Retain this directive until further notice.

BACKGROUND:

The WIA Section 136(b)(2) specifies 15 core performance measures for the WIA program.

The Secretary of Labor provides detailed definitions of these measures in TEGL 17-05. The WIA Section 136(c)(2) states that the local board, the chief elected official, and the Governor shall negotiate and reach agreement on the local levels of performance for each of the core performance measures. Working in collaboration with the California Workforce Investment Board, the Employment Development Department's (EDD) WSD has delegated authority to implement this negotiation process.

The WSD published preliminary local area performance goals in WIA Directive [WIAD05-15](#) (April 11, 2006.) Final goals for PY 2005-06 were released in WIA Directive [WIAD06-5](#) on August 15, 2006.

POLICY AND PROCEDURES:

The data published in the attachment provides the basis for determining PY 2005-06 exemplary performance incentive awards and for determining those local areas required to complete corrective action plans for nonperformance. For details on the exemplary performance process please refer to WIA Directive [WIAD04-12](#) (January 21, 2005.) For information regarding the definition of nonperformance please refer to WIA Directive [WIAD06-10](#) (November 14, 2006).
